## Saint Mary Star of the Sea Catholic Church Slate Roof Restoration Fund

**Phase 1 of the St. Mary Star of the Sea Roof Restoration Project is officially complete!**

Thanks to your incredible generosity and continued prayers, we were able to accomplish the following:

- Replace, repair, or reinstall areas of our slate roof
- Investigate and assess two raised slate areas

Reseal the saddle ridge and hips, with new copper flashing added for extra durability  
During this process, our contractors also uncovered some unexpected but urgent needs:

- Repointing of the church chimney to strengthen deteriorated mortar joints

Replacement of the original copper flashing around the chimney with stronger lead flashing

From the bottom of our hearts, thank you for your unwavering support and love for our church. More details will be coming soon as we look forward to the start of Phase 2. Together, we are ensuring that St. Mary Star of the Sea remains a strong, sacred home for generations to come.

**God bless you all!**

## Meet our Seminarians

**Hello, my name is Jack Domark**, and I am from Virginia Beach, Virginia. I love spending time with family and friends, playing sports, and combining those two activities at the beach! Growing up, I went to Catholic High School and attended St Gregory the Great Catholic Church. During my freshman year of high school, I was inspired by the great joy that my friends had from their relationship with Jesus, and it moved me to start taking my faith more seriously. Over the summer after my freshman year, I was at a retreat with my friends, and during Eucharistic Adoration, I encountered God's overwhelming love for me. I fell so in love with God and began to pray more. Through prayer, I came to love God more and share in His love for souls. As I was preparing for college, I was deciding between two schools, but I got most excited when thinking about the priesthood. Many trusted mentors and friends helped me to take a step towards seminary, and now I am starting my fourth year of seminary this Fall. I attend St John Paul II Seminary in Washington DC, and my time in formation has been such a gift. I am excited to get to meet the Peninsula Cluster Community this Summer! God Bless!

**Hi, my name is Carl Baumann**, and I'm excited to join you at the Peninsula Cluster this summer. I enjoy playing guitar, aviation, good stories, playing sports, and being outdoors. I grew up in Chantilly, Virginia in a Catholic family with one younger sister. I came to the Richmond Diocese in 2017 to study aviation at Liberty University. After graduation, I worked for the school as a flight instructor for over three years. During that time, a struggle with chronic health symptoms shook up my life, and for the first time, I began to realize my need for God. My recovery journey has been closely linked to a rediscovery of the Catholic Faith. This reached a high point three years ago when I broke up with my girlfriend to discern a call to the priesthood. After a period of wrestling, I gradually began to realize that the priesthood is not just something Jesus wants of me but something I want as well. Before beginning seminary, I completed an internship year at two parishes in the Diocese: Holy Cross in Lynchburg and Holy Comforter in Charlottesville.

Going forward, I will continue seminary at Theological College in Washington, DC. I have six years left until ordination to the priesthood. I'm excited to get to know many of you over the next couple of months. Please pray for me, my brother seminarians, and for more vocations in our Diocese. Don't hesitate to say hello!

*In Our Thoughts  
& Prayers*
